Why does Catholic imagery often portray Mary as being sorrowful and wearing blue?

In the ancient world, the color blue was associated with royalty. Beginning around A.D. 500, Mary is displayed in Byzantine art wearing a dark blue mantle, which is a sign of her royal dignity as queen, and this has continued throughout the ages. Mary is often depicted as sorrowful, because the Church recognizes the special suffering that Our Lady endured because she was the mother of Christ.

OUR NEXT FATIMA ROSARY DEVOTION will take place on Wednesday, September 13, 12:00 Noon in the Grotto, led by the Knights of Columbus. Please join us pray for peace in our world.
