**“The abortion conflict has never simply been about repealing Roe v Wade. The pro-lifers I know live a much deeper kind of discipleship than “single issue” politics. But they do understand that the cornerstone of Catholic social teaching is protecting human life from conception to natural death. They do understand that every other human right depends on the right to life. They did not and do not and will not give up – and they won't be lied to.** Archbishop Charles J Chaput O.F.M.
