WE STILL HAVE A WAYS TO GO to Reach our \$20,000 goal for the "Picnic Fund." If you've helped with our annual picnic in the past and have not yet made a donation, won't you please consider helping us with this effort? Thank you so much to the 139 families who have donated so far. We look forward to working together in 2021!

In most states, abortion is the only surgery for which the surgeon is not obligated to inform the patient of the possible risks of the procedure, or even the exact nature of the procedure. Abortion providers are the only medical personnel who are allowed to withhold information, even when directly questioned by the patient. Surgical abortion kills the baby and often harms the mother physically, spiritually and mentally.

OVERCOMING SPIRITUAL DISCOURAGEMENT, a virtual conference with Fr. Timothy Gallagher, August 29. \$15 to register early and get a copy of his book. Email re.saintphilip@gmail.com
