Regarding abortion: The refusal to take sides on great moral issues is itself a decision. It is a silent acquiescence to evil. The tragedy of our time is that those who still believe in defending life lack fire and conviction, while those who believe in abortion are full of passionate conviction. Ask God for the fire of His Holy Spirit to defend life at all stages.

## **Separating the Wheat from the Chaff in Our Lives: Upheaval, Deep Listening, New Paths**

We have all been moving through dramatic and incredibly challenging times this year. Perhaps this upheaval in our “normal” lives has called you to evaluate what is really important in your life and what, at the core, really matters. Let us explore how the gift of dark times, when we are drawn to go deeply into silence with deep listening, allows the Spirit to lead us to new life and transformation.
