**Vocation Corner:** Do you know someone in your life who you think would make a good priest? Have you ever told them that? If not, you should! A significant, contributing factor to young men discerning the priesthood has been the invitation and encouragement they receive from others particularly parents, teachers, mentors and role models. Don't be afraid to tell a young man that they would make a good priest, as that may be just what they have been waiting for. Once you encourage them, don't hesitate to put them in contact with me to continue the conversation...Father Nate Kuhn, Diocese of LaCrosse, PO Box 4004, LaCrosse 54602 or phone 608-791-2667. God Bless you!

**We do a disservice to God and to the pro-life cause if God is never mentioned in our pro-life arguments. God is the Creator of all life and it is our responsibility to protect life at all stages.**
