**SISTER FRAN JERZAK** is a nun who formerly lived in Stevens Point. She has ties to Rudolph through the Kujawa family (granddaughter). When the convent was closed, she was moved to Ohio and is often quarantined because of Covid and is very lonely. A parishioner has kept in touch with her over the years and thought it would be good for her to receive cards and letters from Rudolph, so here's her address: 5100 Marymount Village Drive, Room 320, Garfield Heights, OH 44125. Let's send her some Easter greetings!!

**ADVERTISER  
OF  
THE  
WEEK**

Is the "abortion pill" safe? NO! Any chemical that is strong enough to kill a baby can certainly affect organs and healthy tissues in the mother. It can also affect the mother psychologically when she one day realizes she was the direct instrument of her baby's death. For the love of God and His babies, choose life!
