WELCOME HOME FATHER JANUSZ!!

PCCW NEWS...Ladies,
There's still time to send in your group donation. Because of Covid, most of the fundraisers for PCCW were not able to be held, so donations of money were requested. We thank those ladies who so generously sent in a donation. If you haven't sent in a contribution yet, please do so as soon as possible. Hopefully, we will be able to resume some of these activities this summer and fall. God Bless!!

GROTTO NEWS: Again this year we are asking for volunteers to work at the Welcome Center Gift Shop. It will be one shift per day 11:00-4:00. Sign up for one day a week, or one day every other week or one or two days only all summer/fall. **Please just volunteer.** Call Nellie Larsen for details 715-435-3600 or 715-572-5184.

DONATIONS FOR GROTTO ADVERTISING are being accepted again this year. Relevant Radio is no longer accepting ads, but we are looking at other possibilities to get the word out about our beautiful Grotto. Mark your envelope "Grotto Advertising." Thank you.

HAPPY MAY...THE MONTH TO HONOR OUR MOTHER IN HEAVEN AND ALL MOTHERS ON EARTH.

We are nearing the end of the school year and wish to express our thanks for the support and prayers you have given us this year. 2020-21 was unlike any other school year, but thanks to the combined efforts of staff, students, families and supporters, we were able to successfully offer in-person instruction as our primary mode this year.

Most of our spring concerts will be virtual and links will be posted to the web site as they are done. There is one in-person event scheduled...the 4th-12th grade bands will host a concert at Robinson Park at 3:00 p.m. on May 9. If you are looking for something else to do on Mother's Day, come out and enjoy some fresh air and good music.

Spring sports are up and running. Schedules are on the website. Spectators are allowed as the events are outdoors.

ADVERTISER OF THE WEEK

WE WELCOME NEW PARISHIONERS TO ST. PHILIP. CONTACT THE PARISH OFFICE.

An unborn baby has its own DNA, its own genetic code, its own blood type. The child has its own functioning brain, its own functioning kidneys, and its own functioning lungs. The baby even has its own dreams. It is not the women's body, the baby is only residing in her body. That mother and the law have a duty to protect the life of the pre-born.
