**ADVERTISER OF THE WEEK**

**STEWARDSHIP**

Count your blessings, acknowledge God's gifts to you and express thanks to Him in praise.

There is no greater injustice in the world today than the shedding of the innocent blood of unborn children. We will never be able to build a culture of life if we do not respect the dignity of the human person at all stages of life. We must build our society as it once was, founded upon respect for life and the right to life and the pursuit of happiness.
