FAITH FORMATION NEWS: "We have spent the beginning of the year discovering our generous God and his abundance of gifts: Not just one kind of tree, but many! Not just one flower, but a variety of flowers! God has had a plan from the very beginning, working through civilizations who have come before us and left gifts that we can build upon – like the wheel. Where would we be if that person never discovered the wheel? What about paper? Numbers? The Alphabet? Gifts are given to us in great abundance, do we respond to these gifts? The fullest response is Thanksgiving in the celebration of the Eucharist – coming to Mass. We must give back to the One who has given us SO much!"
